

LANCASTER CENTRAL SCHOOL DISTRICT

CENTERS OF LEARNING AND GROWTH

Date: _____

STUDENT'S NAME: _____

As parent/guardian of the above named student, I am in support of permitting my child to use the NOOK e-reader and case at home during non-school hours. It is important to understand that the NOOK allows access to the Internet when used in an area with Wi-Fi access. All aspects of the Lancaster Acceptable Use Policy will be adhered to when using said equipment:

Nook/case

In consideration of the Lancaster Central School District's permission for my child to possess and use the equipment during non-school hours, I acknowledge that the equipment is valuable property of the Lancaster Central School District. I agree to take responsibility for care of said equipment. I agree to pay for repair or replacement (approximately \$79-\$199 depending on the device) of the equipment if it is lost or damaged while in my child's possession. In addition, I understand that Lancaster Central School District may amend and/or discontinue borrowing privileges which would require the return of said equipment to the school district. Finally, should my child no longer be a resident of the Lancaster Central School District, the equipment must be immediately returned to the District.
