September 2019

Dear Parents:

Please join us on Thursday, September 26, 2019 at 7:00 p.m. for Lancaster Middle School's Open House. I encourage you to join us this evening to experience your child's daily schedule and to meet their teachers. Due to the number of parents and crowded conditions, this evening is set aside for parents **only**.

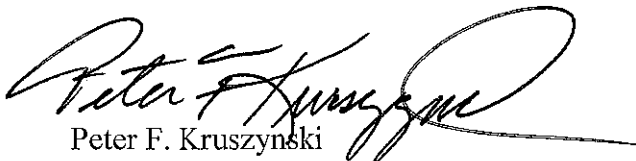

Parents should report directly to homeroom to receive a copy of your child's schedule and general instructions about the evening's program. A list of homerooms will be posted throughout the building for your convenience. The program will begin **promptly at 7:00 p.m.** and allow parents an opportunity to follow a typical day at Lancaster Middle School. Each class period will be eight minutes long with brief overviews by teachers and their course expectations. As it is a busy time of year, if you feel you will arrive late, we suggest printing a copy of your child's schedule so you can be directed to the correct classroom. If you have the Lancaster App on your smart phone, you can gain access to your child's schedule via the parent portal.

If your child is scheduled for a study hall, feel free to visit our media center. Also, our Home School Association will be in the cafeteria with information about their pizza sale. Please consider to join this important parent organization.

As a reminder to all parents/guardians: If you have not yet submitted the emergency health form for your child/children, you may do so this evening in the main office. Also, I encourage all parents to UPDATE their e-mail addresses in the eSchoolData Parent Portal. Take a minute when checking the demographic section of the portal to either complete or update the "e-mail" field. This year we will be sending important information through the e-mail address in the Portal.

We have had a great start to the 2019-2020 school year. By working together between home and school, we can continue the positive momentum to provide a rewarding experience for your child at LMS.

Sincerely,

Peter F. Kruszynski
Principal
