

Student Password Change Information

SSPR link below.

[Use this link for SSPR to change your password.](#)

The new password cannot be your name, student number or previous passwords. It must contain at least 1 capital letter, 1 lowercase letter and 1 number and must be 8 characters long.

If you logged into the BYOD network on your personal device, please make sure to FORGET The Network on that device before resetting your password.

If you require additional assistance go to Room 200A for help.

Locked out of eschool?

Always use the district website to login.

If you are having trouble: Send an email to:
eschoolstudentportal@lancasterschools.org

Include your name and student ID number.

Your password will be reset and you will be emailed when the reset is completed.

If you require additional assistance go to Room 200A for help.
