

2019-2020 Board of Education Goals

Board of Education Development

- Attend district activities (sports, music, district committee meetings for designated members, and other events and meetings) for the purpose of being ambassadors for all district schools.
- Enhance Board of Education member's knowledge of current issues in New York State education through professional development (i.e. New York State School Board's Association convention, local workshops, Harris Beach, etc.).
- Enhance Board of Education member's knowledge of the 2017 SES Study's "Opportunities and Challenges" as well as resultant district inquiry into each to best decide upon and to plan for future direction of district Prekindergarten-12 program dissemination.

Advocacy

- Monitor politics and legislation at state and federal levels. Influence them (i.e. emails, letters, etc.) when appropriate.

Budget

- Oversee the creation of a fiscally responsible budget that upholds the mission and values of the school community while maintaining integrity of district programs, services, and financial condition.

Facilities

- Arrange to tour the district's facilities as a group to view recent (Summer 2019) construction progress.
- Support the district in moving the 2018 capital improvement project forward from planning and design to the start of the first construction phase in Summer 2020.
