We need your help:
We need chairpersons for some events (highlighted on calendar).
Please contact Shana Kirst if you're interested in chairing an event.

If there is an event that you're interested in helping chair that is not highlighted, please feel free to reach out to the current chairperson or to Shana Kirst to see if they need help. Most need additional help and would appreciate anyone willing to join. Some of the events are big and there's a lot to do! We all could use a helping hand!

WE NEED YOU!
