*Michael J. Vallely, Ph.D.
Superintendent*

Dear Lancaster Families,

Linked to this letter and posted on our district website (www.lancasterschools.org) is the draft of the [Lancaster Central School District \(LCSD\) Reopening Plan](#). This draft plan has been created from, and aligned with the continually changing guidance we have received from the New York State Department of Health (NYSDOH), New York State Education Department (NYSED), Centers for Disease Control (CDC), and Governor Andrew Cuomo. As always, our plan prioritizes the safety and well-being of the entire LCSD community while allowing us to fulfill our mission and obligation to the students of Lancaster.

The District plan provides the framework for the specific details that are being created for your children at the building levels. Please take a moment to read the draft of our plan and provide feedback via the survey [LCSD Reopening Plan \(Draft\) Survey](#) by Thursday, July 30, 2020 at 5:00 pm.

Information regarding COVID-19 continues to change at a rapid pace. Please continue to monitor the LCSD COVID-19 website (<https://www.lancasterschools.org/Domain/1805>), our social media accounts, and our automated calling system (i.e., CodeRED) for additional information, updates, and opportunities to provide further input.

Sincerely,

Michael J. Vallely, PhD
Superintendent of Schools
