Dear Parent/Guardian:

Lancaster Middle School is currently in the process of developing your child's course of study for seventh grade. Through conferences with teachers and reviewing academic records, we are hopeful of becoming better acquainted with each student's strengths and areas of concern.

Your child will be exposed to a variety of programs at the middle school level. In addition to taking English, Social Studies, Math and Science, students will also participate in Art, Foreign Language, Health, Home & Careers, Music, Physical Education and Technology.

We suggest you have a discussion about the two potential languages; French and Spanish with your child to determine their preferential choice. For further information you can go to the [Lancaster Middle School website](#). There you will find a chart that highlights the advantages of taking Spanish or French.

We ask that you complete the following survey. This [survey](#) can be found on the school webpage. Just follow the instructions to complete and submit the form. This survey will be active until May 15th, 2021. _

The order in which you complete the survey has no bearing on the scheduling of your request. Every student is given equal opportunity to receive his/her first choice.

Thank you for taking the time to complete the survey. We couldn't be more excited for your students' next step in their academic journey.

Reminder Survey Due Date: May 15th, 2021.

Thank you,

Mrs. Stephanie Lackie
Principal

Mr. John Tresmond
Assistant Principal
