July 2020

Dear Lancaster Middle School Families,

It is with great pleasure and enthusiasm that I write this letter of introduction to you as your new Middle School Principal. I am truly honored to become a part of a community that has already given me such a warm welcome! In just the few interactions I've had with the LMS faculty, staff, students and families, it has become clear that Lancaster Middle School is a special place.

Professionally, I started my career as a Graduate Teaching Assistant at The College at Brockport. I was then a Health and Physical Education teacher at Southwestern High School, a 7-12 Principal at Panama Central School and for the past 4 years, an Assistant Principal at Lancaster High School. Most importantly, my husband and I have two wonderful children and they continue to teach us everyday!

This summer, I will continue to spend much of my time getting to know the building, the school's community and working collectively on our school re-entry plans. While there are still many uncertainties as to what the next school year will look like, one thing remains the same and that is, Lancaster is such a special place and our family does not want to be anywhere but here.

As we navigate school re-entry plans, we will continue to work together and communicate information to you. Mr. Bindemann and I will continue to work with the district leaders, building leaders, faculty, staff and families to gather input and work together to do what is best for everyone at Lancaster Middle School. Our top priority remains the safety and well-being of our students and the entire school community. At the same time, we are focused on fulfilling our mission and obligation to the students of Lancaster.

As we get to know each other, you will see I love working as a team, learning and working hard. I can't wait to get to know and work with all of the families at LMS. This year will bring excitement, challenges, and we will work together through them all!

Respectfully,

Stephanie Lackie
Lancaster Middle School Principal
