Dear Parents and Guardians,

The Lancaster Central School District Food Service Department hasn't skipped a beat since March 17th and our caring crew continues to step up to take care of our community's children.

This letter serves as a reminder that the district is operating a remote meal pickup program and this program will continue to be available to all students while the district is in the fully remote learning phase. The meals are **at no cost** and are available to all students and other children in Lancaster households, age 18 and under. A child does not have to be an enrolled student in Lancaster CSD, but a resident within the district's enrollment area.

The opportunity for families to drive through and pick up meals for K-12 Lancaster CSD students will occur once a week, on Mondays from 3:30 pm to 6:00 pm. Meals are disbursed out of Lancaster High School and Lancaster Middle School.

During the remote learning phase, weekly pickup will include 5 sets of breakfasts and lunches. If there is a holiday on a Monday you will receive a meal for the holiday in the prior week's pickup and you will then pick up the next week's meals on Tuesday. Once again, meals are free of charge.

Registration is required before picking up any meals. Meals are for pick up only. There will not be a delivery option or daily in school service option. No meals will be consumed on site.
