June, 2022

Dear Parent/Guardian and Student:

This year Lancaster Middle School will hold its annual orientation program in June for incoming 7<sup>th</sup> grade students. Due to the large incoming class of over 433 students, we are planning two different orientation nights in order to better serve you and your child.

The orientation programs are being assigned according to your child's last name as follows:

**Students with Last Names A – L should attend on Tuesday, June 14<sup>th</sup>**  
**Students with Last Names M – Z should attend on Wednesday, June 15<sup>th</sup>**

Please make every effort to attend the evening you are assigned due to parking and building space restrictions. Upon entering the building, you will be directed to report to the auditorium.

This orientation program is intended for students and parents to learn about the academic and extra-curricular programs offered at Lancaster Middle School. During these presentations, you and your child will learn about school expectations and meet some of the faculty, staff and students.

We are preparing a program that will be informative; yet flexible enough to allow you time to walk the building on self-guided tours following our formal program. Doors to the middle school will open at 5:00 p.m. with the program beginning promptly at 5:30 p.m. You may use Como Park School as an auxiliary parking lot if parking is not available in the middle school vicinity.

Please join us for an informative evening about your child's future at Lancaster Middle School. We look forward to seeing our incoming students with their parents on either June 14<sup>th</sup> or June 15<sup>th</sup>!

Sincerely,

Stephanie Lackie  
Principal
