Subject: Student Voter Registration and Pre-Registration

The District recognizes the importance of voting and civic engagement. As such, the District seeks to encourage student voter registration and pre-registration. A person who is at least sixteen years of age and who is otherwise qualified to register to vote may pre-register to vote, and will then be automatically registered to vote upon reaching the age of eligibility as provided by law.

The District promotes student voter registration and pre-registration through the following means:

- a) Encouraging voter registration and pre-registration in the social studies classes at the high school.

The completion and submission of voter registration or pre-registration forms will not be a course requirement or graded assignment for District students.
